

CREATIVITY CORNER

Don't Let it Loose – Be a responsible pet owner

Activity One Design a Poster

Instructions: Design a poster to share with pet stores and pet shelters. Be sure to include a the Don't let it Loose title, at least 3 key messages and interesting images/drawings.

Activity Two Research Constrictor Snakes

Instructions: Gather information on constrictor snakes to create a descriptive paragraph that explain the impacts of this release animal. Be sure to include the sources of your information.

Activity Three What if?

Instructions: What is your favorite wild animal? What would happen if an exotic pet was let loose in your favorite animal's habitat? Consider how the exotic pet could impact habitat, food resources and other species by researching about your selected species. Capture your thoughts in a paragraph describing what might happen and use drawings to explain your thoughts. Include sources of your information.

We'd love to see your work! Once completed, share your work with us through your teacher.
